

THE ALICIA DATTNER & ADAM GORDON ARE MORE ENLIGHTENED THAN YOU

COMEDY TOUR

More Enlightened Than You: The Podcast

We'll record our live podcast at the show: If you feel incomplete, unloved, not perfectly held by the universe, think when you try to meditate, dislike anything at all, have imperfect teeth, uneven digestion, feet with toes that you think are weird, or have any goals you haven't reached yet — we'll show you how we figured this whole thing out.

Introducing Comedian Adam Gordon

The inimitable, heartfelt, and very funny rising star will charm you endlessly.

Special Guests Like The Shamanic Cheerleaders

Some tour dates feature brilliant guest sets with local talent.

Headlining Comedian Alicia Dattner

Voted Best Comedian in the SF Weekly and SF Bay Guardian, winner, Best Storyteller, NY United Solo Fest, fresh off a run of her show Off-Broadway, Alicia is thrilled to be touring the West Coast with 100% certified organic comedy.

ALICIA DATTNER'S STANDUP SHOW

No subject is off-limits in One Life Stand: How to floss sexy, how to tell if you love a love-avoidant, how to navigate angels appearing in your undies, how to spot a narcissist in the wild, how to win at heteronormative dating, drinking at yoga, sleeping while meditating, non-duality in bed, and accidental enlightenment... Oh, plus, there's a ukulele.

Dattner has performed in Hollywood, Hawaii, London, Bombay, New York, and San Francisco, with luminaries Maria Bamford, Eugene Mirman, Ali Wong, Kamau Bell, & Moshe Kasher. "I've been on a raw food diet for two weeks, and I'm upset, 'cause I just found out today the diet doesn't include cookie dough."
